Thank you for your enquiry into our rope access training and facilities! Whether you are new to this dynamic, rapid growth, exciting industry or have vast experience, we believe you will find the service, quality, integrity and expertise required to take you to that next level with All-Industrial Abseilers.

With vast experience in the Industrial Rope Access Industry and known for our high standards, AIA is the training provider for individuals and businesses seeking to gain relevant, highly professional skills in the field of height access and safety.

Our new training facility provides participants with the opportunity to learn and develop new skills within a fully equipped, custom built environment. Located at Upper Coomera, the centre is ideally situated for easy access from both Brisbane and the Gold Coast.

All courses are certified by the ARAA ensuring that all participants must display a high level of competency and knowledge in order to complete their training and pass assessment.

LEVEL 1: Operator - Provides a basic entry level qualification. There are no prerequisites for this course, however, it is expected that participants have at least moderate fitness.

LEVEL 2: Supervisor - This course aims to give participants a more thorough understanding of how to operate safely and perform various rope access techniques.

LEVEL 3: Advanced Supervisor - This course is designed for Level 2 qualified participants to progress to Site Supervisor.

Refresher courses and Assessments only are also available for those who have previous experience or are currently working in the industry.

**\$350 Deposit payable on Registration (Non-refundable)
Balance Payable on Day 1 of Course**
